Senor Ministro de Hacienda
La Paz, Bolivia

Dear Sir:

Senor Alejandro Ovando, of Cochabamba, Bolivia, visited our Museum, and in examining our collection of Bolivian coins, suggested to us that it might be possible for our Society to secure the newer coins of Bolivia, by writing to your Bureau.

Our Museum of coins is one of the largest in the world and is ever growing. We should greatly appreciate your co-operation if it is allall possible to obtain any new issues of Bolivia for our Cabinet.

Trusting we are not imposing too greatly upon your courtesy and kindness in the matter,

Very truly yours,

Curator
